TOAS Products – What is PEEL FLEX

PEEL FLEX

The Peel Flex A-line

The Peel Flex A-line is a unique formula of Toas that uses PHA, a new generation peeling ingredient, which can be applied to sensitive skin by penetrating into the skin without irritation.

- ✚ Irritation-free exfoliation.
- ✚ Excellent moisture filling of polymeric hydroxane.
- ✚ It inhibits the production of MMP enzymes and prevents aging.
- ✚ Independent peeling formula of Toas.

The Peel Flex B-line

It contains the vitamin B3 which is excellent for whitening and contains multi-peptide to maximize skin elasticity and regeneration.

- ✚ Irritation-free exfoliation.
- ✚ Strong penetration with small molecular weight.
- ✚ Pigmentation care such as freckles and freckles.
- ✚ Independent peeling formula of Toas.

The Peel Flex C-line

Based on the peeling method developed by JESSNER, an American dermatologist, Peel Flex C-line is a peeling solution that minimizes side effects by mixing AHA and BHA into recipe of Toas.

- ✚ Irritation-free exfoliation.
- ✚ There is a synergy effect through the proper blending of AHA and BHA.
- ✚ Acne, trouble-prone care
- ✚ Independent peeling formula of Toas
